

Volunteer Opportunities

Drop-In Centre Assistant: If you are interested to be in a busy environment you could be assisting with the day-to-day activities of the Youth QUEST Central drop-in centre. Responsibilities include answering the phone, taking donations from the public, engaging in conversation and social / recreational activities with the youth, accompanying staff to do street intervention, providing assistance with certain tasks such as computers, laundry, meals, ensuring that the snack/ meal area is well stocked and clean, keeping the clothing depot stocked and tidy, and monitoring client traffic.

Minimum Commitment: 2 hours/week.

Specific Knowledge & Skill Sets: There are times when Youth Impact Jeunesse offers youth learning programs and information sessions on topics such as: budgeting, finances, nutrition, legal issues, drugs, careers, safety and more. If you are knowledgeable about a certain subject or have skills to offer that are different from those found in the positions above, it could be that your abilities would still be an asset to Youth Impact Jeunesse. At Youth QUEST Central volunteers have been instrumental in teaching youth new skills. Over the years youth have benefited from volunteers knowledge in areas such as: dance, art, knitting, crafts, filming and editing, guitar and photography – if you have an idea for a special program or have a special talent to offer we would love to hear from you.

Commitment – As needed – flexible

Maintenance Volunteer: We are committed to providing a comfortable, pleasant and safe environment for our youth, volunteers, staff and the general public. We have numerous facilities that require the knowledge and energy of volunteers who have their own tools, and are capable of painting, fixing, removing snow, carpentry, etc.

Commitment: As needed - flexible.

Office Support Volunteer: Our offices, especially the administrative and development office can be very busy. If you are interested in office work such as assisting with mail outs, special event preparation, organizing, photocopying, etc., we have dynamic work environments that can benefit from your support.

Commitment: 1 hours/wk

Fund Development Volunteer: If you have an interest in fundraising or public relations please let us know. We could be recruiting volunteers to sit on a fundraising committee, to help out before, during or after a special event, to assist with public relations projects or office support.

Commitment: depends on the position and project.

Special Events Volunteer: Youth Impact Jeunesse hosts numerous types of events throughout the year. It offers conferences, workshops, special fundraising events, press conferences, open house, and youth related events. If you have an interest in assisting with event planning, organization, or volunteer on the day of certain youth or professional focused events we would love to hear from you.

Commitment: depends on the position and event.

Transportation Volunteer: If you have a truck you could make a huge contribution to our programs. We can use your help to pick up project supplies and large donations such as furniture and appliances or to help us with fundraising events. We also require volunteers in this area to assist in transporting youth to special events planned for them such as a trip to Poley Mountain or Magic Mountain.

Commitment: As needed - flexible.
