Coldest Night of the Year happened on February 24, 2024! Greater Moncton joined tens of thousands of Canadians in stepping outside the warmth and comfort of home to shine a light of welcome and compassion in their communities.

In Moncton, the efforts have raised an amazing **\$148,428** and counting. Congratulations on this impressive accomplishment! The success of this event is celebrated in the walk that took place and is to some extent measured by the level of participation and amount of money raised. The greater success and warm thought is that many young people in Greater Moncton will be able to breathe a little easier. Money raised will support solutions in young lives in Youth Impact Jeunesse's Youth QUEST Central and Transitional Housing Programs. Thank you to all the team captains, walkers, sponsors, volunteers, and donors for sharing this moment with us!
