Success Story

Youth QUEST Central helped me get sober, obtain my GED, gain employment, and bring my family back together. I cannot imagine where my life would be without the support from the staff. I started going to the centre when I was just 17 years old and now I am months away from turning 24. Youth QUEST Central played a large part in my life. Making friends, making memories, learning new skills, and having positive adult role models is what helped me move my life in a positive direction. Youth QUEST Central will always have a VERY special place in my heart.

National Day of Truth and Reconciliation

Each year, September 30th marks the National Day for Truth and Reconciliation.

The day honours the children who never returned home and survivors of residential schools, as well as their families and communities.
