

CHANGING THE STORY

Building Futures, Transforming Lives.

2025 - 2026
IMPACT REPORT

“ **THROUGH COMPASSION,
CONSISTENCY, AND COMMUNITY,**

Youth Impact Jeunesse is making a lasting difference by helping youth discover their strengths and believe in themselves. The organization plays a vital role in fostering belonging, encouraging growth, and providing meaningful opportunities that help them reach their full potential.

Terry Vickery

Human Service Counsellor
Addiction & Mental Health Services for Children and Youth
Horizon Health Network

CHANGING THE STORY

Building Futures, Transforming Lives

Every young person carries a story—one shaped by challenges, uncertainty, and obstacles that can feel impossible to overcome.

Since the original 1985 commitment to support young people, Youth Impact has been powered by the conviction that their challenges should not define a young person's story. We step into their stories with guidance, support, and the tools to chart a new course.

Youth Impact has grown into a dynamic organization serving individuals from early childhood through to young adulthood. Across several communities, we meet youth where they are at and help them navigate challenges and key life transitions. We build on the resilience and potential inherent within each young person, opening pathways to stability, growth, and independence.

Every connection we make and barrier we remove allows youth to better draw on the supports they need. With guidance and opportunity, young people stay in school, gain employment, and build healthy relationships. Infused with hope, their stories get brighter.

Our employees, volunteers, Board of Directors, and Management Team create environments where youth can thrive with confidence. Generous donors and government funders make it possible for us to respond to evolving needs and deliver critical services.

**Infused
with hope,
their stories
get brighter.**

By investing daily in their strengths, we help generate new opportunities for youth to shape their stories. They also help change the narrative for their whole circle of influence, with impact rippling throughout parts of New Brunswick.

Each year at this time we mark the milestones and accomplishments of our programs. But we also celebrate the courage, determination, and resilience of the young people themselves—the true authors of their futures.

We don't know the endings or the plot twists to come. But page by page, chapter by chapter, with help from Youth Impact and you, our stakeholders, their life stories become better than anyone imagined.

Mel Kennah,
Executive Director

YOUTH FEEDBACK

TRANSITIONAL HOUSING PROGRAM

"I honestly don't think I would still be here if it weren't for this program. This place has given me so much confidence. I can see it's possible to break my family's cycle."

(Youth, 18)

YOUTH QUEST CENTRAL

"I've been going to Youth QUEST Central for over three years, and it has really helped me. They provide so many supports, and the staff listen without judgement. It feels like a second home and a safe place for me."

(Youth, 19)

RAINBOW CONNECTIONS

"I've made new friends and discovered more about myself in a safe, supportive environment. We've had meaningful conversations about identity and gender, while also having fun and building connections together."

(Youth, 23)

DRUG INTERVENTION PROGRAM

"The program has helped me with no judgement, even in my darkest days. It has helped me make decisions by weighing the pros and cons."

(Youth, 16)

50 MYERS HOME

"I've learned so much over the past two years, and I am very happy with myself and my progress. I've gained the ability to cope with my emotions, love myself, and build important life skills."

(Youth, 16)

FULTON HOME

"The support and genuine care I receive has made a difference in my ability to succeed. I'm now attending school full time and doing well, especially in math. My independence has grown, and I feel confident being in the community on my own."

(Youth, 14)

HELPING OUR YOUTH REACH THEIR FULL POTENTIAL

Youth Impact Jeunesse has been an exceptional partner in delivering programs and services that support youth across our province. As Deputy Minister of Social Development, I am sincerely grateful for their unwavering focus and commitment to make a lasting difference, helping our youth reach their full potential.

Jim Mehan

Deputy Minister of Social Development

THOMAS HOME

"My mental health has been getting better, and I feel safer here. I can be myself and not feel alone. I've become more comfortable talking to people and expressing my emotions, which has really helped me."

(Youth, 16)

LANCASTER HOME

"Thank you for the last two years. Without you, I wouldn't be on the path I am now. You have an amazing group of people, and I will never forget the impact you've had on my life. I'm forever grateful I was placed in your care."

(Youth, 18)

BON ACCORD HOME

"They listen to what I have to say and truly try to help. I've learned patience and how to accept myself."

(Youth, 15)

MAIN STREET HOME

"The staff made me feel safe and listened to, and I enjoyed meeting other youth and making friends. I had fun doing group activities, and I never felt judged. I'm a little sad to leave because I really liked it here."

(Youth, 15)

ABOUT US

OUR MISSION

Youth Impact Jeunesse Inc. helps young people succeed by providing support and new opportunities.

OUR VISION

The Maritimes' leading organization in growing successful people.

OUR MANDATE

The purpose of Youth Impact Jeunesse Inc. is to provide quality care and guidance to children and youth between two and twenty-five years of age, with social, emotional, and behavioural challenges.

The goal is to help youth and their families reduce or eliminate the conditions that have acted as obstacles to their success. Services are offered within an integrated multi-component continuum of care, which ranges from preventative community services, in-home family support, and highly structured residential treatment programs, to less structured transitional housing.

HIGHLIGHTS

- The Bon Accord Home opened in Saint John in April 2025, replacing the Cumberland Home that was closed the previous August.
- In May, the Stabilization Service was paused as part of a shift in service delivery.
- The agency was the recipient of The Home Depot Canada Foundation's 2025 and 2026 The Orange Door Project to end youth homelessness, held in June and December.
- In August, the 18th annual 50/52 Myers Olympics had 58 participants at this agency-wide event.
- The agency successfully renewed its accreditation designation in December with the Canadian Centre for Accreditation in the areas of Organizational, Child Welfare, and Community Services.
- The agency transitioned to the Synerion electronic payroll system.
- An electronic database, Apricot 360, was implemented for all programs operating out of Youth QUEST Central.
- Youth Impact, in partnership with Centre for Youth Care, hosted a one-day workshop featuring Iain De Jong titled Rooted in Mission, Ready for Change: A Gathering to End Youth Homelessness.
- Extensive renovations were completed across all agency properties. Major upgrades included a new kitchen and laundry room at Safe and Supportive Care; a new control system for the heating and cooling system at Safe and Supportive Care; structural modifications at Savannah Home and Bon Accord Home; new windows at Dever Home; new flooring at multiple locations; and new kitchens at 50 Myers Home, 52 Myers Home, and Snow Home.
- An additional bedroom was constructed at Thomas Home. As of December 1, youth capacity increased to four beds at Thomas Home and decreased to five beds at Augusta Home.
- The agency exceeded its annual campaign goal, raising over \$1.01 million in support of key youth programs.
- Brault Roofing donated materials and labour for the installation of a new roof at Youth QUEST Central.
- Byron Rayne received the 2025 Board of Directors' Award.
- The 2025 recipient of the Vickie Babineau Memorial Scholarship was Olivia Joan Mullins, entering Crandall University.
- Gavin Kotze and Sarah Wagner from the Office of the New Brunswick Advocate were the guest speakers at the 2025 Annual General Meeting.
- 80 Savannah Drive was purchased, and the Stabilization Service began a soft launch in February 2026. This hybrid service includes support within the family home as well as in-house placement.
- On February 28, 2026, the Coldest Night of the Year was held in 222 communities across Canada, marking Youth Impact's thirteenth year hosting the event in Moncton. The event raised over \$155,000, with 55 teams, 357 walkers, 107 volunteers, and 1,062 donors.
- Staff development remained a priority through both e-learning and in-person training, with 3,702 online training modules completed. Orientation training was completed by 106 staff and 20 NBCC students, and new learning opportunities were added throughout the fiscal year.
- Specialized and safety-focused training included Trauma-Informed Care (TIC), Nonviolent Crisis Intervention (NVCI/CPI), and Applied Suicide Intervention Skills Training (ASIST). Youth Impact trainers provided TIC training to 77 staff across two external community agencies, while also delivering internal TIC training to 76 Youth Impact employees and CPI training to 27 employees. ASIST training supported 10 staff and 19 community partners.

IMPACT THROUGH SENSE OF BELONGING

Over the past five years, I've had the privilege of participating in and volunteering at the Coldest Night of the Year in support of Youth Impact. I continue to be impressed by the organization's impact through the essential services and sense of belonging it provides to youth. Supporting Youth Impact is a cause that resonates deeply with me.

Mary Collette
RBC

WE ARE IMPROVING THE LIVES OF YOUTH IN OUR COMMUNITY

Atlantic Wellness has truly valued the partnership with Youth Impact. Providing mental health services on-site at Youth QUEST Central removes the barriers of accessibility, such as transportation, and supports the youth in their own environment where there is a level of comfort and security that assists in building trust and confidence in the therapeutic relationship. Our collaboration with Youth Impact has been beneficial to both agencies and by working together, we are improving the lives of youth in our community.

Andrew J. LeBlanc
Executive Director, Atlantic Wellness

RESIDENTIAL SERVICES

Augusta Home

Manager: Andrea Cormier

This five-bed home is located in Moncton and serves youth ages 12-18 who require social, emotional, and behavioural support. The focus is to provide a safe, therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Sixteen youth were supported at this home over the past year.

Snow Home

Manager: Connie Mowbray

This five-bed home is located in Moncton and serves youth ages 12-18 who require social, emotional, and behavioural support or highly structured long-term care. The focus is to provide a safe, therapeutic living environment where youth can build stability and develop skills, with an emphasis on preparing for independent living. The goal of the program is to support growth that promotes empowerment and future success.

Eighteen youth were supported at this home over the past year.

Fulton Home

Manager: Richelle Smith

This four-bed home is located in Moncton and serves youth ages 10-18 who require social, emotional, and behavioural support. The focus is to provide a safe, therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Six youth were supported at this home over the past year.

Vincent Home

Manager: Rob Steele

This four-bed home is located in Quispamsis and serves children and youth ages 6-15 who require social, emotional, and behavioural support. The focus is to provide a safe, therapeutic living environment where children and youth can build stability and develop skills, with an emphasis on supporting younger youth. The goal of the service is to support growth that promotes empowerment and future success.

Eight children and youth were supported at this home over the past year.

Dufferin Home

Manager: Katelyn Bradshaw

This five-bed home is located in Saint John and serves youth ages 8-18 who require social, emotional, and behavioural support. The focus is to provide a safe, long-term therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Eleven youth were supported at this home over the past year.

Main Home

Manager: Courtney King

This four-bed home is located in Bath and serves youth ages 6-18 who require social, emotional, and behavioural support. The focus is to provide a safe, long-term therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Fourteen youth were supported at this home over the past year.

Lancaster Home

Manager: Samantha Hamilton

This five-bed home is located in Saint John and serves youth ages 12-18 who require social, emotional, and behavioural support. The focus is to provide a safe, therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Twelve youth were supported at this home over the past year.

Thomas Home

Manager: Matthew Brennan

This four-bed home is located in Dieppe and serves youth ages 10-18 who require social, emotional, and behavioural support. The focus is to provide a safe, therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Seven youth were supported at this home over the past year.

Priestman Home

Manager: Cassandra Burroughs

This four-bed home is located in Fredericton and serves youth ages 10-18 who require social, emotional, and behavioural support. The focus is to provide a safe, therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Fourteen youth were supported at this home over the past year.

Savannah Home

Manager: Krista Kenny

This three-bed home is located in Moncton and serves youth ages 12-18 who require social, emotional, and behavioural support, and are at risk of placement breakdown. The focus of this twelve-week service is to provide a safe, short-term therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

The team also provides intensive twelve-week in-home support for families whose youth are not in the care of the Minister of Social Development but are referred by the Integrated Clinical Teams.

The home opened in the spring of 2026.

Pine Home

Manager: Vida Abel

This three-bed home is located in St. Stephen and serves children and youth ages 2-18 through respite support for families and caregivers of children with intellectual and/or physical disabilities. One bed is designated for emergency placements. The focus is to provide a safe, therapeutic living environment where children and youth can be supported on a short-term basis. The goal of the service is to provide rest and renewal for families and caregivers. Until October 2025, the home supported two long-term emergency placements, after which it transitioned to providing full respite care.

Thirteen youth were supported through respite services over the past year.

Bon Accord Home

Manager: Kayla Burgess

This five-bed home is located in Saint John and serves youth ages 10-18 who require social, emotional, and behavioural support. The focus is to provide a safe, long-term therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Eight youth were supported at this home during the past year.

Dever Home

Manager: Paula Medford

This five-bed home is located in Saint John and serves children and youth ages 2-18 through respite support for families and caregivers of children with intellectual and/or physical disabilities. One of the beds is designated for emergency placements. The focus is to provide a safe, therapeutic living environment where children and youth can be supported on a short-term basis. The goal of the service is to provide rest and renewal for families and caregivers.

Fifty-one youth were supported through respite services over the past year.

50 Myers Home

Manager: Ricki Vardy

This three-bed home is located in Moncton and serves youth ages 6-18 who require short-term stabilization, assessment, and intervention (up to sixty days). The focus is to provide a safe, therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success. Over the past twelve months, the majority of placements have exceeded the standard sixty-day mandate.

Ten youth were supported at this home over the past year.

52 Myers Home

Manager: Ricki Vardy

This three-bed home is located in Moncton and serves youth ages 11-18 who require social, emotional, and behavioural support. The focus is to provide a safe, long-term therapeutic living environment where youth can build stability and develop skills. The goal of the service is to support growth that promotes empowerment and future success.

Nine youth were supported at this home over the past year.

Safe and Supportive Care

Manager: Serina Rose

This four-bed provincial service provides specialized support to a vulnerable population in a secure and confidential setting. Information about the service is intentionally limited to ensure the safety and privacy of participants. This service opened in April 2025.

Five youth were supported through this service during the past year.

OUTREACH PROGRAMS

IMPACT LEARNING CENTRE

Instructor: Tim Brewer

This centre is an academic upgrading program for youth ages 18-24 who have not experienced success in a traditional classroom setting. Participants progress at their own pace with the goal of completing the Canadian Adult Education Credential (CAEC) exam. The program is offered in partnership with South East Adult Education (SEAE) and is delivered in a facilitated classroom at Youth QUEST Central.

- Seventeen youth participated in the program.
- Fifteen CAEC exams were written, with eleven successfully completed.
- Two youth graduated, with one securing employment and others continuing toward completion.

FAMILY PRESERVATION PROGRAM

Manager: Charline Melanson

This program is designed to strengthen and support parenting in families with children ages 5-16. The goal is to enhance family functioning while keeping children safe through strength-based services tailored to the individual needs of each family. The service can serve up to ten families at a time for a maximum of twelve weeks. Families are referred by the Department of Social Development.

- Twenty families participated in the program during the past year.
- Seventeen families successfully completed the program.
- The program received 35 referrals during the past year.

DRUG INTERVENTION PROGRAM

Manager: Jonathan Thibodeau

This program serves youth ages 14-25 who struggle with drug use and are either at risk or in conflict with the criminal justice system. This voluntary service provides youth with information, support, and strategies that assist them in reducing substance use while supporting positive decision-making and behaviour change. Through the development of personal goals tailored to each individual's strengths and needs, youth become more engaged in education, employment, and community.

- Fifty-four youth were supported through the program over the past year.
- 90% of youth decreased or abstained from drug use.
- 48% of youth obtained employment.
- 80% of youth furthered their education.

“ AN INDISPENSABLE SOURCE OF SUPPORT

Dever Home has been an indispensable source of support for our family. For the first time in 16 years, I was able to attend an event with my husband, something that would not have been possible without their care. The respite placement provides our son with a safe, respectful environment where he is truly understood and free to be himself. Your role is essential, and your impact is profound.

Claudine
Parent

YOUTH

TRANSITIONAL HOUSING PROGRAM

Manager: Amanda Fielding

This program serves youth ages 16-22 who are experiencing housing insecurity and are working to stabilize and change their lives. Eight youth can reside in a supported environment that offers them the opportunity to develop skills that lead to greater self-sufficiency, including daily living, social, and employment skills. A four-month after-care program is offered.

- Twenty youth were supported through the program over the past year.
- 100% of youth who stayed longer than three months successfully completed the program.
- 75% of youth were engaged in employment or education during their stay.
- Seventy-one requests for service were received.

QUEST CASE MANAGEMENT

Manager: Byron Rayne

This program provides case management, assessments, and job readiness services to youth ages 16 to 25 who are facing barriers to employment. Pre-employability skills are also a key focus. It assists participants in finding and accessing appropriate services and resources, identifying barriers, and advocating for supports to help youth reintegrate into education or employment.

- One hundred and sixty-five youth were served.
- Forty-nine youth obtained employment, and twenty-two began an educational program.
- Seventy-one internal and external referrals were made to a range of programs and services, including supports related to housing, education, employment, mental health, substance use, and food security.

YOUTH QUEST CENTRAL

Manager: Byron Rayne

This program is a low-barrier, multi-resource centre for youth ages 16-25 who are experiencing housing insecurity and other challenges. It provides immediate access to basic needs such as meals, laundry, showers, clothing, and connection, meeting youth where they are in a safe and supportive environment. Additional services include access to computers and communication tools, academic upgrading, job readiness training, goal planning, and support related to housing, mental health, and substance use. It also provides access to multiple agency programs and services.

- 293 unique youth accessed services, with 6,976 total visits, including 96 first-time participants.
- Basic needs were met through 13,076 food services and 3,743 essential supports, including showers, laundry, clothing, and hygiene products.
- Recreational and social activities were accessed 11,803 times, supporting connection and positive engagement.
- The ACE (Activity Centered Engagement) Program offered 20 structured activities, engaging 78 youth in recreational, cultural, and community-based experiences that supported connection and skill development.
- On-site mental health counselling provided by Atlantic Wellness was accessed 549 times.
- Youth were connected to supports through 107 referrals to internal and external programs.
- Technology and communication supports were accessed 663 times, including computers, phones, and printing services.
- 230 volunteers contributed 1,055 hours in support of program operations and fundraising.
- The Youth Outreach Worker served 60 youth and provided 138 individualized referrals related to housing, community, and essential services. Through these efforts, 33 youth secured and maintained housing, including 8 newly housed this year. Additional housing-related supports included 16 temporary safe placements, 27 shelter referrals, 32 housing agency referrals, and 10 youth connected to the Coordinated Access list.
- Group programming and information sessions were accessed 287 times, including specialized programming such as Rainbow Connections (2SLGBTQI+ support), Indigenous cultural activities, art and culture, and wellness and life skills sessions.
- Community partnerships were central to service delivery, with organizations providing on-site supports including Atlantic Wellness, Vitalité Public Health, Crossroads for Women Inc., Portage Atlantic, and legal support through Pro Bono Students Canada (PBSC). Additional on-site partnerships include AA and CA meetings, collaborations with post-secondary institutions, and the Build for the Future initiative, led by United Way of Greater Moncton in partnership with the construction industry.

PRESIDENT'S REPORT BUILDING THE NEXT CHAPTER

Over the course of 2025 and into 2026, financial partnerships were established with Canada Mortgage and Housing Corporation, Regional Development Corporation, Human Development Council – Reaching Home funding, City of Moncton, Housing NB, the RONA Foundation and the Lockhart Foundation. These partnerships are centered around capital funding to develop a nine-unit apartment building to expand the agency's Transitional Housing Program. In addition, a partnership was secured with the Department of Social Development to provide operational funding once service delivery commences at 9 Lefurgey Avenue. Funding agreements were being finalized at the end of the fiscal year in anticipation of construction beginning in the spring of 2026.

Both the Personnel and Operational Policies underwent extensive review, and all updates were ratified by the Board of Directors.

The Board hired an external consultant to conduct a compensation review for the position of the Executive Director.

OrgCode was hired to support the organization's development of its three-year strategic plan, with Chris Gorman leading the work. He managed all stakeholder engagement interviews and facilitated conversations with the Senior Management team to solidify the strategic plan for the next three years.

**Stability
through
housing,
partnership,
and hope.**

The Board Member Manual had its four-year review, and updates were ratified by the Board in May.

Finally, I want to extend my appreciation to my fellow Board members for volunteering their time and expertise, to the staff and Management Team for their hard work and dedication, and to our government partners and donors

for the continued confidence you show in the work and reputation of Youth Impact.

It is through your continued commitment that we can engage youth in making positive life changes.

2025-2026

PROGRAM HIGHLIGHTS

In partnership with Doggone Pawsitive, youth from Snow Home participated as training partners with dogs in pet therapy training, including creating one-of-a-kind paintings.

Somatic yoga sessions provided youth from Safe and Supportive with opportunities for relaxation, emotional well-being, and self-care.

Mobile outreach allows the Drug Intervention Program to build relationships and provide support directly within the community.

A holiday outing to Village Aglow at Kings Landing gave youth from Priestman Home the opportunity to enjoy seasonal activities and community connection.

Celebrating birthdays helps create positive memories, connection, and a sense of belonging for youth at Myers Home.

Youth from the Transitional Housing Program took part in a meaningful Red Dress Day activity focused on awareness, reflection, and learning.

A youth from the Lancaster Home interested in becoming a pilot had the opportunity to tour the Moncton Flight College and explore future career pathways in aviation.

Youth from Myers Home participated in a summer outing to the zoo.

Fulton Home celebrated a youth's Grade 8 graduation and academic success, recognizing an important milestone and achievement.

Through creativity and determination, a youth at Youth QUEST Central learned to sew and created their first handmade stuffed bunny.
